KIC 203L Chest Freezer

Heavy-Duty Worktop, Long-Lasting Freeze

Discover the NEW White KIC Chest Freezer Range featuring a SCRATCH-RESISTANT and Food-Safe worktop, providing you with extra work surface.

This Freezer with 203L NETT storage space is the biggest in its category, it safely keeps your food frozen for long during loadshedding and even in TROPICAL conditions at ambient temperatures up to 43°C. The thick lid and its A energy class save you money while keeping your food frozen for longer. Its aluminium inner tank is rust free and easy to clean.

Discover supreme durability & efficiency with KIC today!

SCRATCH-RESISTANT worktop

Robust and scratch-resistant food-safe worktop to give you more countertop work surface.

TROPICAL maintains temperature at 43°C ambient

Optimal operation, keeping -18°C even in very hot temperatures.

'A' ENERGY efficiency

Store more food with less energy consumption and high savings on your electricity bill.

CHEST FREEZER

MAXIMUM STORAGE

Designed to offer you more storage space thanks to optimal combination of high capacity in reduced outside dimensions and clever storage solutions.

LONG LASTING FREEZE

Thanks to the thicker lid, it keeps food frozen longer in all conditions. It also keeps meals fully and safely frozen below -9°C ($-18^{\circ}\text{C}/-9^{\circ}\text{C}$) for up to 38 hours*.

VARI-FREEZE

Offering flexible storage solutions even in your chest freezer. Adjust the temperature and switch between freezer, chiller or refrigeration mode to use it as bulk fridge or freezer.

CHEST FREEZER	KCG 215 WH
MAIN FEATURES	
Product Type	Chest Freezer
Nett Capacity (litres)	203
Gross Capacity (litres)	203
Colour	White
Baskets	1 pc, metal wire
Lockable	Yes
Direct Cooling	Yes
4 Star Rating	Yes
Vari-Freeze Temperature Control	Yes, on side
TECHNICAL FEATURES	
Feet	Yes, 2
Packed Dimensions (HxWxD) mm	928x816x722
Unpacked Dimensions (HxWxD) mm	848x786x665
Gross Weight (kg)	30
Nett Weight (kg)	29
Voltage (V)	220-230
100% CFC Free	Yes
Refrigerant	R600a
Inner Tank Material	Aluminium
PERFORMANCES	
Energy Efficiency Rating	A
Energy Consumption (kWh/annum)	293
Climate Class	SN-T
Rising time (h) (Time from -18°C to reach -9°C when power is off)	38
Warranty	2 year FULL warranty
