CHEST FREEZER

ALUMINIUM INNER TANK

The inner tank is made of rust-free aluminium, ensuring longevity and reliability. It is also very easy to clean.

LONG LASTING FREEZE

Thanks to the thicker lid, it keeps food frozen longer in all conditions. It also keeps meals fully and safely frozen below -9°C ($-18^{\circ}\text{C}/-9^{\circ}\text{C}$) for up to 46 hours*.

VARI-FREEZE

Offering flexible storage solutions even in your chest freezer. Adjust the temperature and switch between freezer, chiller or refrigeration mode to use it as bulk fridge or freezer.
