KIC 239L Bottom Freezer

White / Metallic/ Dark Grey

NEW

Flexible Space, More Storage.

KIC's range of Combi Bottom Mount Fridge-freezers provides you with a larger capacity for long-term storage of food.

With a complete range of storage and energy saving features, there is a KIC Bottom Mount Fridge-freezer for every home. The new dark grey shade gives elegance and sophistication to every kitchen.

This model boasts a 239L Nett capacity in only 50cm width, as well as adjustable balconies and a deep Big Balcony to keep your large bottles in the door.

Keep it fresh

5 YEAR warranty

2 year full and an additional 3 years warranty* can be added if you register your product on our website within 3 months from date of purchase.

BIG balcony

Fit up to 3 x 2.25 L bottles in our unique Big Balcony which is much deeper than usual balconies.

MAXIMUM storage

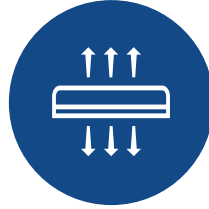

Designed to offer you more storage space thanks to an optimal combination of big internal usable space, reduced outside dimensions and clever storage solutions.

BOTTOM FREEZER

ENERGY RATING

Save on your electricity bill with our 'A' class energy efficient bottom mounts.

ADJUSTABLE BALCONIES

Offering flexibility of storage options also in the refrigerator door thanks to our Adjustable Balconies.

ANTI-BACTERIAL SEAL

This special anti-fungal treatment ensures better fridge hygiene and longer lasting seals on all KIC refrigerators.
